The dynamism that is Kyushu --- the southernmost major island of Japan. A series of volcanic ranges, including the world’s largest active volcanic crater, Mount Aso, are located in Kyushu. Kyushu’s strategic position near South Korea and China have allowed it to act as a focal point of cultural, religious, and artistic exchanges since the ancient Japanese world. The arrival of the Europeans to Kyushu also started during this time. In the later years, the Nagasaki port of Kyushu started receiving Western trade. Ill fate, however, met the island when, during World War II, on August 9th, 1945, Nagasaki was ravaged by the atomic bomb. So much to see and so much to experience in this small island.

Highlights

Japan’s Tohoku – or northeastern – region is rich with history, natural beauty and noteworthy cultural sites. This tour will immerse you in all of this, including ancient temples, shrines, samurai residential areas, castles, and local crafts – all set against the fragrant beauty of peak cherry blossom season. You’ll enjoy scenic countryside, high-speed bullet trains and peaceful ryokan inns at day’s end. The tour begins and ends in Tokyo – a city of unparalleled shopping, tourism and activities to introduce you to Japan’s commercial side. To peer into Japan’s soul, you’ll need to see the timeless Tohoku region, unique for its mountains, gorges, forests, natural beauty and ancient samurai culture and lifestyle.

Your Japan Holidays Escort – Mr Ken Takenaga

Born in Yatsushiro City, Kumamoto Prefecture, on the island of Kyushu in southern Japan, Ken moved to the USA as a teenager. He was immersed in American culture and language, which he combines with his deep understanding of Japan’s colourful history in a way few tour guides accomplish. Ken’s passion for and profound knowledge of southern Japan’s history and key historical sites plus his fluency in English make him the perfect guide for English-speaking tourists here. He is a rare combination of military precision, comprehensive knowledge, and genuine connection, qualities invaluable as a tour guide for both large groups or smaller custom tours. Ken has more than a decade of experience guiding groups.
We depart Morioka and head south to Hiraizumi and its top attraction: Chusonji Buddhist Temple. This Tendai-sect Buddhist temple commands a spectacular view of cherry blossoms in full bloom. Among the few remaining sites here is the fabulous Golden Pavilion, completely covered in gold leaf.

Today, you’ll step back in time to the samurai era in fabled Kakunodate. The wide open streets lined by a lacy canopy of cherry blossoms frames a picture-perfect view into the past. There are museums, gift shops, gardens and architecture to explore here. Tonight we’ll meet up for a farewell dinner with your guide.
**MORIOKA - AOMORI**
Check out from your hotel after breakfast and depart for Aomori. Upon arrival, we will pick up our car and depart for the Sannai-Maruyama Site. After lunch, we will depart for the Hirosaki City- renowned as one of best places to see cherry blossoms in Japan.

**AOMORI - TOKYO**
