Your Japan Holidays Escort – Mr Ken Takenaga

Born in Yatsushiro City, Kumamoto Prefecture, on the island of Kyushu in southern Japan, Ken moved to the USA as a teenager. He was immersed in American culture and language, which he combines with his deep understanding of Japan's colourful history in a way few tour guides accomplish. Ken's passion for and profound knowledge of southern Japan's history and key historical sites plus his fluency in English make him the perfect guide for English-speaking tourists here. He is a rare combination of military precision, comprehensive knowledge, and genuine connection, qualities invaluable as a tour guide for both large groups or smaller custom tours. Ken has more than a decade of experience guiding groups.
